GRADE 3 PROVINCIAL ASSESSMENT

If you have a student in grade 3, they will be writing the provincial assessment this month on 13th & 15th (literacy) and 20th & 22nd (math). Here are a few tips to help your child be successful:

1. Sleep – make sure your child is well rested.
2. Breakfast & snacks – a nourished brain is a healthy brain
3. Be on time – we will be starting right away at 8:15am. Please make sure your child is on time.

Although this assessment does not impact your child's marks, it does give valuable information both to parents and
