UPDATE

Parking Lot Chaos

Our parking lot is already a puzzle—double parking makes it trickier! Please watch for kids, be patient, and keep the bus lane clear (those 'No Parking' signs really mean it 😊). If a car's in the way, we'll kindly ask you to move so everyone can get in and out safely

Attendance

You can find information on the updated attendance policy [here](#)

We want our students to be attending school regularly.

People may think that it doesn't matter in elementary school - **but it DOES.**

DID YOU KNOW?

A student coming in late just by 10 minutes each day would **miss 750 minutes from now until the December holidays!**

That is more than 12 hours of missed academic and social time.!!

Please plan accordingly and get your students to school on time. If you need support, please reach out to the classroom teacher.
