NOVEMBER

November

Hard to believe that it is November already! Our October was busy with the grade 6 provincial assessment, class trips, bus evacuation drill practice and Halloween Howl. The Halloween Howl was a great success! Thank you to everyone who volunteered and to our PTO who organized it. As well thank you to people who donated. Between the canteen and door donations there was over \$1100 made. This monies will be put towards class trips costs (buses are expensive!) and other ways to enhance our student school experience.

Our Parking Lot

Parking Lot Season is Back.....

It's that time of year again when our parking lot gets a little busier. A few friendly reminders to help keep things safe and running smoothly:

- **Use side grass and crosswalks.** Please remind your children not to walk through the middle of the parking lot. It might feel like a shortcut, but it's not a safe one.
- **Keep traffic flowing. DO NOT** park near the entrance so it narrows to one lane. When cars can move freely, everyone gets in and out more easily.
- **Quick stops** only by the telephone pole/garbage cans. That's a good spot for a quick drop-off, but please don't park there—it helps others exit safely.
- **Think about parking on a side street and walking.** Often, that short walk ends up being faster (and a little calmer) than waiting in the parking lot lineup.
- **Take a breath.** Mornings can feel rushed, but a bit of patience goes a long way—especially with kids who don't always notice the cars around them.

Thanks for helping us keep drop-off and pick-up times safe for everyone
