MARCH

MARCH

We hope everyone had a restful March Break.

We are now looking ahead to our upcoming student-led conferences. We hold these in April instead of the traditional parent-teacher conferences as this is a special opportunity for students to take the lead in sharing their learning, highlighting work they are proud of, and reflecting on their growth and next steps.

These conferences are designed to celebrate progress and strengthen the partnership between home and school. We look forward to welcoming families and hearing students share their learning in their own voice.

Bookings will open up Thursday March 26th.

WARM WISHES

As we move through March, we want to acknowledge and extend warm wishes to families who recently celebrated Lunar New Year and the Lantern Festival, and to those who observed Eid al-Fitr.

These meaningful occasions are centered on renewal, gratitude, generosity, and time with loved ones. We are grateful for the many cultures, traditions, and stories that shape our school community and help our students grow in understanding and respect for one another.

STUDENT LED CONFERENCES- APRIL 2ND

Student-led conferences give students the opportunity to share their learning directly with their families. Students will highlight work they are proud of, reflect on their growth, and talk about next steps, with teachers supporting the conversation.

We believe students should be active drivers of their learning. These conferences create meaningful moments of celebration and connection as students share their successes with those who support them most.

Appointments can be booked through SchoolInterviews.ca beginning March 26. Please visit our [website](#) for details. Up to 4 families can book the same time slot since this is student led.

HONESTY & HUMILITY
CALDWELL COMMUNITY CULTURE (CCC)
ASSEMBLY THEME

THUMBS UP
THURSDAY

7 SACRED TEACHINGS HONESTY & HUMILITY

HONESTY: Living with integrity, being truthful in actions and words, and being honest first with yourself. Accepting who you are, including strengths & weaknesses so that you can do the same for others. It means acting with fairness and not lying.

HUMILITY: Knowing yourself as a sacred, equal part of Creation, no more or less important than others. It means being selfless, balancing self-pride with respect for the community, and avoiding ego. True humility involves seeing strengths & weaknesses with kindness and acceptance, having confidence without bragging, and understanding that personal success is often supported by the community.

BE A STUDENT WHO IS HONEST & HUMBLE WITH
YOURSELF, OTHERS & MOTHER EARTH.

The letters 'P', 'T', and 'O' are rendered in a bubbly, rounded font. 'P' is purple, 'T' is pink, and 'O' is green. They are set against a blue background with yellow and white confetti falling around them.
