UPDATE

Tick Season

As the weather gets warmer and students spend more time outdoors, please remember to check your child for ticks each day, especially after playing in grassy or wooded areas.

Access Awareness Week May 31–June 6

Access Awareness Week in Nova Scotia, taking place May 31–June 6, 2026, is an opportunity to recognize the importance of accessibility, inclusion, and the leadership of people with disabilities.

This year’s theme, “Disability Justice: Stronger Together, First Voice Leading Change for Collective Action,” emphasizes the importance of centering lived experience and working collaboratively to create meaningful, lasting change.

In schools, this week is a powerful reminder that inclusion is everyone’s responsibility. Classrooms are where understanding begins – through learning, conversation, and action.

By listening to diverse voices, removing barriers, and fostering accessible learning environments, educators and students help build school communities where all learners feel valued and supported.

Thank you PTO

UPDATE

DISCOVERY CENTRE P-6

Thanks to your support and the PTO initiative, the Discovery Centre came in and did workshops with all 11 of our classes. Students had a great time and this also supported science outcomes for each grade level.

WHY CONSIDER HELPING PTO

Our PTO consists of a small group of dedicated volunteers who plan and organize fun events for our school community. However, even with the best planning, these events can't happen without volunteers like you!

We know our families lead busy lives. We also know how much our students and families enjoy the events and activities that bring our community together. If you're able, please consider volunteering at an upcoming event. Every helping hand makes a difference and helps us continue creating these opportunities for our students and families. Thank you for your support!

SPRING FLING VOLUNTEERS NEEDED

We are in need of volunteers for our Spring Fling in order to run it. We are holding our spring fling on Friday June 5 from 6-8 pm. If you are able to offer 30 min or an hour, it would be helpful. Right now we still need many more volunteers in order to make this event happen. Please contact caldwellroadpto1@gmail.com.

TRUTH
CALDWELL COMMUNITY CULTURE (CCC)
ASSEMBLY THEME

THUMBS UP
THURSDAY

7 SACRED TEACHINGS TRUTH

TRUTH: Truth brings all the teachings together. ✨
Truth means understanding and living according ✨
to all 7 sacred laws – Respect, Love, Honesty,
Humility, Courage, Wisdom and Truth. It's about
knowing who YOU are, being a good person and
honouring the laws of Creator; which have not
changed since the beginning of time. These
teachings are the foundation of all other Tribal
teachings like Netukulimk in Mi'kmaw culture.
Truth is represented by the Turtle because the
Turtle was there when life began and has stayed
on Mother Earth ever since. The Turtle is a living
reminder of the cycles of life and time. Truth is
not just about speaking Truth, but living Truth by
being true to yourself and others, as well as,
following the direction of all 7 Grandfather
Teachings.

BE A STUDENT WHO SHOWS TRUTH BY BEING
TRUE TO YOURSELF & ALL CREATION.
